PROFESSIONAL SUMMARY

Results-driven Full Stack Developer and MCA graduate with proven expertise in .NET Core MVC, React.js, and SQL Server. Adept at architecting scalable web applications, designing robust RESTful APIs, and optimizing database performance to reduce latency by up to 30%. Passionate about writing clean, maintainable code and delivering high-impact software solutions in fast-paced environments.

TECHNICAL SKILLS

Backend: .NET Core MVC, .NET Web API, C#, Entity Framework, ADO.NET
Frontend: React.js, JavaScript (ES7+), Tailwind CSS, Bootstrap, HTML5, CSS3
Databases: SQL Server, MongoDB | **Tools:** Git, GitHub, Swagger, Postman, Agile

PROFESSIONAL PROJECTS

Nexus Arena (E-sports & Gaming Tournament Platform) Recent
Full Stack Developer (.NET Core MVC, .NET Web API, SQL Server)

- Architected and deployed a scalable gaming tournament platform, supporting real-time player matchmaking and live leaderboards for 500+ active users.
- Designed and integrated robust .NET Web APIs, ensuring 99% uptime and secure data flow between the .NET Core MVC frontend and SQL Server database.
- Implemented responsive UI components using Razor Views and Tailwind CSS, increasing overall user engagement and mobile accessibility by 40%.
- Optimized SQL database queries and API endpoints, reducing system latency by 25% and efficiently handling high concurrent traffic.

School Management System (Smart Schooling) 2022 - 2023
BCA Capstone Project

- Developed a high-performance educational management platform using React.js and Tailwind CSS, streamlining administrative workflows for 100+ daily users.
- Architected RESTful APIs to facilitate seamless and secure data communication, reducing data retrieval times by 20%.
- Utilized Postman and Swagger for rigorous API testing and comprehensive documentation, achieving zero critical bugs during final deployment.
- Achieved a 95+ Lighthouse Performance Score through advanced code optimization, lazy loading, and efficient asset management.

EDUCATION

Master of Computer Applications (MCA) 2024 - 2026
Chandigarh University | **CGPA: 7.90**

Bachelor of Computer Applications (BCA) 2020 - 2023
Veer Narmad South Gujarat University (VNSGU), Surat | **CGPA: 5.83**

HSC (Class XII) 2020
Afeshani Education Trust, Surat | **55%**

CERTIFICATIONS

- Claude Code 101 – Anthropic
- Digital Marketing – Google
- React JS Guide – Udemy
- Harvard Management Course
